This year marks the 25th anniversary of [Montréal Fashion Week](#). To celebrate this event in gratitude for the talent and contribution of designers to the fashion industry, [Groupe Sensation Mode](#) has invited designers to present their runway shows without participation or production fees. From September 3 to 6, over 20 designers will unveil their Spring/Summer 2014 collections. Here are some of the highlights:

### [Dinh Bá](#)

Born in 1975, Dinh Bá arrived in Montréal from Saigon at the age of 8. He discovered the world of clothing and fashion at a very young age, while assisting his mother who was working in clothing design. He quickly developed a deep interest for drawing and arts. In 2003, Dinh Bá launched his label. Elegant with a twist, the collection tailors to smart and modern business women. Since its beginnings, the collections, entirely made in Quebec, are renowned for their fluid lines and exceptional intuitive cuts.
